AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

August 29, 2002

Sir:

In response to the Office Action mailed May 29, 2002, please amend the above-identified application:

IN THE SPECIFICATION:

Please replace the paragraph on page 3, line 30, with the following:

The present invention further relates to an adhesive composition for a metal foil which comprises thermosetting heat resistant resins at least one of which is at least one of a polyfunctional acrylate resin or a polyfunctional methacrylate resin having two or more acryloyl groups or methacryloyl groups in the molecule.
